Air and Water Hose

Smooth red cover is very tough and resistant to oil and grease. Use barbed type fittings or reusable hose fittings.

*Actual length may vary from reel to reel. Standard Duty Hose

502-500*	1/4"	.531	250
503-500*	5/16"	.625	250
504-500*	3/8"	.688	250
505-500*	1/2"	.844	250

Heavy Duty Hose

Smooth red cover is tough and resistant to oil and grease. Hose has same qualities as standard duty hose but has higher PSI ratings.

512-500*	1/4"	.531	300
514-500*	3/8"	.688	300
515-500*	1/2"	.844	300

Amflo

No. Size and Length

Lock-On Hose

Special hose designed for lock-on fittings which are much quicker to use and do not need ferrules. Cut hose to length and push in fitting. The special weave of the hose grips fitting and holds it securely beyond burst strength of the hose itself. Doesn't require crimping.

Warning: Use only fittings made specifically for Lock-On hose. Conventional barb type will not hold securely. Working pressure 250 PSI.

506L-100	1/4" x 100"
508L-100	3/8" x 100"
506L-500	1/4" x 500"
508L-500	3/8" x 500"
