### C-632X • Cabinet

This Weatherhead Brass Fittings Cabinet, C-632X, is a space saving, efficient, easy to use addition to the modern store with lobby type sales area. The C-632X requires a minimum of space but does a maximum job merchandising the wide variety of fittings in the 126 clear, wide, plastic drawers. An additional 15 large, high impact plastic drawers located in the bottom section provide ample space for those large or heavy special fittings you may be stocking.

Restocking is easy when you start at the bottom and pull drawers for an order check. Leave drawers extended that are low in stock. Now start at top, note quantity needed and return drawers to original position after order is written using standard box quantities listed on labels. Plastic dividers are provided to section drawers for future expansion when new or additional part numbers are needed.

Display this attractive cabinet with a recommended stock of fittings in your lobby and watch your brass fitting sales increase as the C-632X silently and quickly services your customers. Create those impulse sales that make your business and profits grow!
